Malaysia Coffee Fest 2018 sets new dates for 2018 – Promises to be bigger and better!

The coffee festival for Malaysia, Malaysia Coffee Fest 2018 is taking a giant leap forward and moving to **1 Utama Shopping Centre** from **July 12 to 15, 2018**. The festival is open to all coffee and tea industry key players and coffee enthusiasts.

Building on the success of the first year, Malaysia Coffee Fest 2018 promises to be the most exciting celebration yet! This second festival will continue to unite all coffee lovers from top class baristas to talented local artisan roasters, to independent coffee houses and local bakeries that will serve decadent pastries to pair with finest the coffees and teas.

Malaysia Coffee Fest 2018 is thrilled to be presenting the Malaysia Open Barista Championship and Malaysia Open Latte Art Championship with the co-organiser of competitions, Barista Guild Asia. The battle among the contestants aims to develop Malaysian Baristas and Latte Artists in building confidence and improving their competency, ability and skills. With a diverse program and events such as Music Café, an exciting Instagram contest, a series of workshops and demonstrations, this festival is set to be a spectacular experience. Malaysia Coffee Fest 2018 guarantees to satisfy your coffee cravings and promises an indulgence of your senses in a coffee-scented atmosphere.

The coffee celebration is organised by the creator of the highly successful Café Malaysia series, CEMS Conference & Exhibition (Malaysia) Sdn. Bhd. and co-hosted by Malaysia Specialty Coffee Association (MSCA) and Café Owners Alliance Malaysia (COA MY).
